

The Metaphysics of WUBRG: Black — The Wielder of Power

The Metaphysics of WUBRG

Philosophy & Core Drive

Core Drive: Power, autonomy, self-determination

Belief: You take what you need — morality is optional

Emotional Tone: Ambition, ruthlessness, inevitability

Vox Mana Read:

“You are willing to pay any cost... because you understand that everything has one.”

Playstyle & Mechanical Manifestation

Playstyle: Sacrifice, recursion, drain, tutors

Key Signals:

- **Graveyard recursion:** Rejecting finality and treating death merely as a temporary setback.
- **Life as a resource:** Ruthlessly trading raw vitality for immediate tactical leverage.
- **Sacrifice engines:** Actively converting subordinates into immediate, personal power.
- **Tutors / inevitability:** Removing luck from the equation to force a targeted outcome.
